Dear Parent/Guardian,

It is not Northside School District's intent that children go hungry. Child Nutrition Services believes proper nutrition is important for student wellness, academic success, however, we also have a fiscal responsibility to stay in compliance with Federal Guidelines. In order to meet this obligation, parents / guardians are responsible for purchases made by their student(s) in the cafeteria. It is the responsibility of parents/guardians to either provide their children's meals or pay for meals offered. Free & Reduced Meal Benefits are available to families that qualify. Applications must be completed and approved annually for meals.

Note: Students enrolled at Community Eligibility Provision (CEP) Schools receive meals at no cost. For a list of CEP Schools www.nisd.nir
